MARCH 2010

If there comes a little thaw,  
Still the air is chill and raw,  
Here and there a patch of snow,  
Dirtier than the ground below,  
Dribbles down a marshy flood;  
Ankle-deep you stick in mud,  
In the meadows while you sing,  
"This Is Spring."  
Christopher Pearce Cranch

Enjoy your  
Minnesota  
Spring!

**Quote:** “In my view, the Christian religion is the most important and one of the first things in which all children, under a free government ought to be instructed....No truth is more evident to my mind than that the Christian religion must be the basis of any government intended to secure the rights and privileges of a free people.” Noah Webster
